NEW YEARS GREETING

Dear Valued Friends, Partners, Vendors, and Associates,

It's not often we get to truly thank and appreciate one another for the support and contribution we provide. When it is said, thank you doesn't even begin to express the appreciation I have for everyone who has contributed to the ongoing growth and success of Excel Builders & Renovators Inc.

For many of us, this past year has been among the most challenging we have ever experienced. We have had to adapt to new ways of doing business and thriving in this unprecedented economic time. As I look back on this past year and reflect on what we have accomplished, foremost in my mind is that we couldn't have done it without you.

As I look to the year ahead I am inspired by the possibilities that lay before all of us. I am excited by the opportunities for growth, to strengthen relationships and build new ones, and to continue putting everything we have into doing the best work we know how. Though it won't be said often enough, thank you for everything you have provided and everything you will provide in the coming year. We really couldn't have done it without you!

Happy New Year!
Matthew Goldfine

Excel Builders & Renovators Inc. is a Brooklyn based custom builder and boutique developer bringing modern and traditional elegance and the highest quality materials and construction methods to urban living. Since 1994 Excel has been creating total living and working environments that both aesthetically and ergonomically anticipate the owner's needs. An obsessive attention to detail in both what you can and cannot see makes Excel's work a thing of lasting beauty.
